

## Why choose the Extended Warranty Protection?

With UltraCARE Extended Warranty Protection, you're covered for the unexpected. Get up to 3 extra years of warranty coverage – when you invest in a Preventative Maintenance Plan. It's smart protection that keeps your equipment running at its best.

### How it works:

- Purchase or enroll in a Preventative Maintenance Plan.
- Select your desired warranty extension (up to 3 years).
- Sit back and relax – we'll handle the rest!

### What's included:

- Extended parts & labor coverage
- 100% coverage for manufacture defects and breakdowns due to normal use
- Priority service and repairs
